Subject: N. SAKHAROV

In Report # 3 of 8 December 1958 in the description of Mr. N. SAKHAROV was stated "rather dark hair" should be "dark blond" and added "gray eyes". He has slightly damaged skin (likely burn) on left side of the chin about over 1/4 square inch.

18 December 1958 at 1.00 to 1.30 P.M. I met Mr. Sakharov at Holland-America Line Office on third floor. Mr. N. SAKHAROV came alone to the Office to collect documents regarding liquors left on the pier. I had with him a friendly conversation during which he offered me a Russian cigarette and promised to bring a bottle of real Moscow vodka next time. From the conversation I learned that: he has the liberty to go around the City; That they (Russians) have movie picture show at the Mission, but nobody from outside can be invited; That he is in the United States about one year.

At the end I wrote on a slip of paper my name and the Company's telephone, nothing else, and told him to call me when he has time and wishes to have a good time in the City. He answered: We will see.
